

Books Come Alive

Joining the procession of Informative assemblies, students of FS2 C put up a show on the topic ‘Books Come Alive’, wherein a poem(in Hindi)“Kitaabein kuch kehna chahti hain”, was recited. The recitation was of a very high class which showed that our children are all rounders and are enhancing their skills in every language. The students were in the apparel of books, so it were the books speaking and trying to tell everyone, how the books spread knowledge and how each student should realize the importance of books in their lives.
