INVESTITURE CEREMONY: Leadership Quality, a GEMS core educational value, is an integral aspect of life at Cambridge International School, Dasuya. Through the course of the year the students are given responsibilities to not only prove their mettle, but to acquire the required skills that are imperative for success.

The School Prefectship Programme is not only a matter of pride and honour but is more importantly a grave responsibility that provides an opportunity to gain and enhance leadership qualities in the students.

The membership to the School Prefect Council is extremely coveted. The School prefects are chosen after careful considerations which include nominations by the teachers, nomination speeches in which the students justify their nominations and try garnering support and rigorous individual interviews with the Principal and the Senior Principal.

The Investiture Day Ceremony was held recently on **Friday, 6th May 2011** in which Davinder Singh and Himanshi Sharma were bestowed with the responsibility of the School Captains. Vikrant Sharma and Ankita Sharma were chosen as the Vice Captains of the School. House Captains and other prefects and leaders along with the grade monitors were also chosen in a glittering ceremony anchored by Ankita Bhardwaj and Tarangini Das.

This year the ceremony began with a guard of Honour being presented by the four Houses to the Chief Guest, Mr KK Vasal, the Chairman, Vasal Education Society. The march past was also judged with the contingent of Sapphire House being declared as the winner.

The Senior Principal Mr SS Das congratulated the newly appointed members of the School Council and reminded them of the great responsibility that comes along with the privilege of being a member of the School Council before administering them their oath of office. He urged them to espouse the values of the School and not only uphold the trust that the School has bestowed on them but set new benchmarks and ensure that they take the School to enviable glory with integrity and impeccable conduct.

The Chairman, Vasal Education Society, Mr KK Vasal also congratulated the Members of the School Council and motivated them to become role – models for other students.

The School is also planning to have Junior School Captains and Prefects in the near future to inculcate the quality of leadership in the students from a very young age. The Musical Programme held during the occasion was also appreciated by the august gathering that included the Chairman, Mr KK Vasal and the Senior Principal Mr SS Das.

ANNUAL AWARDS DAY (FRIDAY, 27th MAY 2011)

Excellence is the most satisfying trait of life. Thus celebration of excellence is the most important function; and it was nothing short of euphoric at the recently held Annual Awards Day at Cambridge International School, Dasuya.

CIS does not believe in rote learning; thus the awards given for academics are not for the marks alone but for overall mastery in the concerned subjects. Be it the English Idol or the Mathematics Wizard or the IT Whiz; students were awarded for not only their knowledge but also for application and analytical skills and overall expertise over their concerned subjects.
