ABOUT GEMS EDUCATION

GEMS Education is the largest private kindergarten to grade 12 school operator in the world. With 50 years of experience, GEMS Education is a global, multi faceted education group which owns and operates schools as well as provides education support services to both the public and private sectors. GEMS is a world-renowned brand today with operations spanning across four continents.

GEMS India has around 14 managed schools and 7 owned schools across the pre and post operational phases in India. GEMS is working towards expanding its India network to 100 schools in the next 5 years. Other than running its own schools, GEMS India offers total school management solutions where it takes a partner school all the way from project inception to pre operational phase to ongoing operations seamlessly. GEMS India also provides advisory and consulting services to various private sector and governmental entities.
