

EARTH DAY
Poster Making Competition

On 20th April 2012, GIS Palam Vihar organized a Poster Making Competition for the celebration of Earth Day. All children from Grades I to V participated with great enthusiasm. They exhibited their talent through their art work. The theme for the competition was “CLEAN AND GREEN”.

The students expressed their ideas through color and form, many of them using black for polluted earth and blue and green colors to represent eco-friendly land, accompanied with relative captions and slogans. It was a great opportunity to watch these young minds trying to create their ideas of a better environment on paper.

As Aristotle believed, to bring any change we must train young minds. So was the idea for this competition and we got an overwhelming response. Though everyone gave their best response, but being a competition, we had to adjudge the best efforts.

Below are results for the same:

CLASS	Rank-1st	Rank 2nd	Rank3rd	Consolation
